

CURTAIN CUBE

Arc Flash Curtain Cube

MFG#	DESCRIPTION	COLOR	UPC
ARCBKT-40KA-CUBE	Curtain Cube	Yellow	731406518058

- Portable cube is made from a durable Aramid fabric that is tested and designed to divert energy away from the worker while performing every day electrical tasks. It can also serve as an additional barrier to safeguard workers that are in close proximity to electrical equipment.
- The cube can be moved from site to site and can be deployed on multiple configurations.
- The 4.5' x 6.5' cube framework is made from a durable Schedule 80 PVC frame and is comprised of 3 Aramid panels measuring 4'x5'. the panels are further reinforced by the use of Kevlar® rope for added strength and stability.
- Anchoring is recommended for holding the structure in place to contain or divert arc energy.
- Meets ASTM F2676 and ASTM F3272 curtain standard and is rated for a maximum arc current of 40 kA (BTP 517).
- Made in the USA

The Arc Flash Curtain Cube is designed to fold in on itself for easy storage.
